➤ Give back to your neighborhood

A small donation can make a big difference in your community. Through Project SHARE, Georgia Power will match \$1.50 for every \$1 you give to help people in your area facing a temporary crisis. Donate today through your electric bill or visit georgiapower.com/projectshare to learn more.

➤ Enhancing Your Power Reliability Through Vegetation Management

Tree limbs that encounter power lines are a major cause of electrical outages, and limbs touching lines can become energized or even break and fall, bringing the lines down with them. Learn more about how we reduce outages by pruning trees away from power lines on a planned cycle at georgiapower.com/vegetationmanagement
